Our Mission
The Student Ambassador Program is a group of medical students dedicated to the positive promotion of the UAMS College of Medicine and its Alumni Association. The program promotes a spirit of volunteerism and fosters loyalty among students, who are our future alumni.

Student Ambassador Qualities
- Enthusiasm
- Desire to learn
- Leadership ability
- Strong interpersonal skills
- Sense of school loyalty and pride
- Genuine interest in meeting new people

Opportunities & Benefits
- Represent the University as official hosts at alumni special events and student activities
- Opportunity to interact with college administrators, faculty and staff
- Meet and network with College of Medicine administrators, alumni, community physicians and leaders, faculty, and staff
- Volunteer for phonathon to raise funds for student scholarship.
- Conduct campus tours for prospective students, alumni, and guests
- Support a sense of community among students, staff, and faculty
- Be visible and enthusiastic campus leaders
- Learn important interpersonal skills while gaining professional experiences
- Gain leadership skills

We encourage you to become a Student Ambassador. To apply, please contact director Ginny Rice at riceginny@uams.edu or 501-626-6684. Provide your name, home address, phone number, email address, and class year.

Scholarship Benefits
Due to our alumni’s generosity, we are proud to offer more than $300,000 annually in scholarships. Some of the awards are made through class and named scholarship earnings; others are available through alumni and friends gifts during our annual phonation. Last year, our student volunteers raised more than $80,000 in scholarship funds during phonathon.

In addition to school funds, alumni class funds provide support for the following:
- Medical Ethics and Medical Humanities (Class of 1944 M&D)
- White Coat Ceremony (Class of 1951)
- Student Research Week (Class of 1955)
- Gross Anatomy Lab (Class of 1960)
- Clinical Skills Center (Classes of 1966 & 1967)
- Students in Crisis (Class of 1972)
- Day with a Doctor
- Imprinted keepsake padfolios for graduating seniors
