

Advances Health

Remembering Bill Clark

A devoted husband and father, William “Bill” Clark died of cancer in 2007. His wife, Margaret, a member of the Society of the Double Helix, and his son, William E. Clark II, chair of the UAMS Foundation Fund Board, share stories about Bill and the distinguished endowed chair established for Bill’s best friend, J. Thomas “Tommy” May. Bill and Tommy both served as members of the University of Arkansas Board of Trustees.

The Association for Healthcare Philanthropy Ranks UAMS as a High Performer

AHP's Report on Giving provides key health care philanthropy industry benchmarks including total funds raised (cash and production), return on investment (ROI) and cost to raise a dollar (CTRD), as well as industry trends and performance comparisons based on institution type, number of FTEs and sources of funds raised.

Arkansas Mutual Awards \$10,000 Scholarship to UAMS Medical Student To Pursue Primary Care

Mikaila Wilson Calcagni, of Fayetteville, has been awarded the Arkansas Mutual Medical Student Award, a scholarship for third-year medical students at UAMS who want to practice primary care in rural Arkansas.

UAMS Receives NIH Grant for First Comprehensive Study of Synthetic Marijuana Dangers

A team of University of UAMS researchers has received a federal grant to conduct the first comprehensive study of the dangers posed by synthetic marijuana products.

UAMS First Arkansas Hospital Certified Gold for Infant Safe Sleep Practice

UAMS is the first hospital in Arkansas to receive the gold certification from Cribs for Kids for its commitment to reducing infant sleep-related deaths, including sudden infant death syndrome (SIDS), through best safety practices, community outreach and education.

Boozman at UAMS to Support Radiologist Assistants

U.S. Sen. John Boozman said Friday at the UAMS that legislation he is sponsoring in Congress would increase patient access to care by allowing radiologist assistants to be reimbursed for certain procedures that have traditionally been performed by radiologists.

UAMS Named Most Wired Hospital for 2016

UAMS Medical Center recently won the Most Wired Award for the second year in a row from the American Hospital Association Health Forum. The hospital has won the distinction nine times.
